Additional work on this project by Matthew Buchannan and Cassandra Smith

The National Park Service neither created, sponsored, nor endorsed this document. All material herein, however, comes from official NPS/USG or allied sources, each of which are specified in the “Descriptors” page.

It is important to note that information contained herein is from the most recent sources, but is subject to change. With an organization as large as the National Park Service is, flux is a constant, and things like addresses, names, capabilities, staffing patterns, services offered, admission prices, concession operations, etc., can and do change often. Consequently, this information should be recognized as recent, but may not necessarily be THE most current. Updates to this document will be issued periodically on the project website (<http://www.npsunitproject.com/>). Please check there for the most up to date version of this document. Please forward any corrections or changes to the e-mail address listed at the bottom of this page.

It is also important to note that even staff and offices at NPS’ headquarters, DSC, and regional offices often don’t have a full picture of conditions at individual field units. As such, some information may be incomplete or slightly inaccurate because WASO, DSC, or the ROs provided inaccurate information due to that lack of completeness or information that differs from that obtained from individual units. It is also possible, with all of the data involved in this project, that some data was transcribed incorrectly. Similar to the guidance provided above, if you find inaccurate or missing data, please send an e-mail to the e-mail address listed below.

The material in this document may be utilized without credit by any office, division, or representative of the National Park Service, any other agency of the federal government, or any agency of a state or local government for any official purpose. All other uses, including those for personal, commercial, news, or other non-governmental function must obtain permission from the copyright holder with credit given as outlined below.

CITATION SHOULD READ:

NOTES & DESCRIPTORS

Notes

NOTE DESCRIPTIONS

For any entry where a dash (-) occupies the block, this indicates that data is unavailable (especially for new(er..ish)) parks, no relevant data is available, or that data is not available at the time the profile document was produced.

AFF: Affiliated site. Designated by NPS, but managed/operated by non-federal entity through cooperative agreement

LFF: Limited Federal Facilities

NFF: No Federal Facilities

UD: Under Development (may not yet be open to the public)

CLSD: Closed to the Public

NOTE 1: These units are managed jointly by Katmai NP&P

NOTE 2: Alibates Flint Quarries and Lake Meredith NRA are managed jointly

NOTE 3: Component of Flagstaff Area Parks (managed jointly/share resources)

NOTE 4: Also a component of Nez Perce NHP (q.v.)

NOTE 5: Component of the National Mall and Memorial Parks Group

NOTE 6: Component of National Capital Parks - East Group

NOTE 7: Component of the George Washington Memorial Parkway Group

NOTE 8: Component of the Manhattan Sites Group

NOTE 9: Managed by Natchez Trace Parkway

NOTE 10: Component of the Southern Four Corners Group

NOTE 11: Component of the Cape Hatteras Group

NOTE 12: Component of the Southeast Arizona Group

NOTE 13: Managed as a part of Christiansted NHS

NOTE 14: Casa Grande also manages Hohokam Pima NM, which is not open to the public

NOTE 15: Castillo de San Marcos and Fort Matanzas are managed jointly

NOTE 16: Component of the Western Arctic Parklands Group

NOTE 17: Was a component of the WWII Valor in the Pacific National Monument. Made separate in 2019

NOTE 18: Sequoyah NP and Kings Canyon NP are managed jointly

NOTE 19: Tule Lake NM and Lava Beds NM are managed jointly

NOTE 20: CWDW consists of 17 sites spread around the Metro DC area, administered by multiple NCR offices

NOTE 21: NACE, NAMA, and ROCR collectively also manage 292 “small” parks in and around the Metro DC area outside those included in CWDW, PAAV, GWMP, WHHO, ANAC, PISC, and FOWA.

NOTE 22: The Presidio is operated and maintained by The Presidio Trust, a federally-created entity, in conjunction with NPS. It has a CEO and is managed largely as a private organization. The Superintendent of GOGA oversees NPS operations that involve The Presidio, however.

Notes

NOTE A: During the summer, visitors must take a shuttle from the GETT VC to reach EISE. During the winter, visitors may drive directly to EISE

NOTE B: Not directly accessible to visitors. Visitors must use a shuttle or some special means of transportation get to the site itself. See unit's website for details.

NOTE D: Vehicle and/or parking access is limited. Use of public transit recommended

NOTE F: Tickets required for entry to all or part of the unit, that may or may not be free. See unit's website for details

NOTE G: Requires hike (perhaps of substantial distance) to access unit's primary Visitor Center

NOTE H: There is no vehicle access to the park. Visitors should visit nearest VC for details (VC may be some distance from the park itself)

NOTE J: Reservations required to enter the park

NOTE K: Housing figure for Cape Krusenstern is for housing shared amongst workers for all of the Western Arctic Parks (though Bering Land Bridge has its own additional housing). Located in Kotzebue

JURISDICTION COLUMN NOTES

NOTE J1: The 1.9 million acres that was the original McKinley NP are exclusive jurisdiction. Balance is proprietary

NOTE J2: Land acquired from the DOD remains under exclusive jurisdiction. Balance is proprietary except where noted

NOTE J3: The portion of GRSM in TN is exclusive; the portion in NC is concurrent

NOTE J4: Portion in UT is proprietary; portion in CO is concurrent

NOTE J5: Portion in DC are exclusive; portion in MD is proprietary

NOTE J6: Portions of this park are within US DOD jurisdiction and therefore, while exclusively federal, belong to US DOD

NOTE J7: NPS portions of this park are under proprietary jurisdiction, while DOE portions are under exclusive (DOE) jurisdiction

RADIO SYSTEM NOTES

NOTE R1: Some park operations (esp LE) are conducted on radio systems operated by local/county LE or public safety agencies

NOTE R2: Portions of this unit are patrolled by the USPP, which has their own set of frequencies (available online)

NOTE R3: Some park operations (esp LE) are conducted on radio systems operated by other federal agencies

VOLUNTEER COLUMN NOTES

NOTE V1: Volunteers that support these parks worked at ANCH to support all Alaskan parks without their own (ALAG, ALEU, ANIA, KOBUE), in addition to those that did

NOTE V2: Volunteers shared among Flagstaff Area Parks (SUCR, WACA, WUPA)

NOTE V3: Volunteers shared among co-managed parks

NOTE V4: Volunteers shared among National Parks of New York Harbor (NPNH)

NOTE V5: Volunteers based in NOCA

NOTE V6: Volunteers based in SEQU

NOTE V7: Volunteers based in NACE (National Capitol Parks - East)

NOTE V8: Volunteers based in NAMA (National Mall and Memorial Parks)

NOTE V9: Volunteers based in GWMP (George Washington Memorial Parkway)

CODE	NPS ALPHA CODE	The 4-character NPS Unit ID Code assigned by WASO	WASO	2023-01-12
		Typically, the code will consist of the first four letters of a unit with a single word in its name, or the first two letters of the first name and the first two letters of the second name (ignoring articles) for units that have more than one word in them. There are a handful of exceptions to both of these. See the NPS Alpha Code Master List for codes you don't recognize.

Descriptors/Sources

COLUMN ID	COLUMN EXPANDED NAME	DESCRIPTION	SOURCE	LAST UPDATE
CR DATE	CREATION DATE	The date the park was either created by Congress or presidential designation, or the date on which it was authorized	NPS Index	2016+
		Whichever is earlier. Note that this is the date the park/unit was authorized by Congress or signed into existence by the president, and may not be reflective of the year that the park actually opened up to the public, nor does it take into account the various name changes, land acquisitions, or redesignation of unit types. Dates with 0/0/#### format indicate units for which specific creation date is unknown.		
AUTH LEG	AUTHORIZING LEGISLATION	The statute, proclamation, executive order, or other document that authorized or directed the creation of the unit. See the NPS Unit Chronology for specific details.		
CR PRES	CREATING PRESIDENT	President at the time the park was authorized/created originally (regardless of the form its original entity took). This will be the president who signed the authorizing legislation or who signed the proclamation document for a national monument.		
INT SECY	DOI SECRETARY AT CREATION	The Secretary of the Interior in office at the time the unit was created.	DOI	
		N/A (WD): Facilities originally established within the US War Department		
		N/A (USFS): Units originally established within the US Department of Agriculture, US Forest Service		
		N/A (NCPPC): Units within the DC Metro area established prior to 1925 that belonged to any of a handful of independent agencies or the US War Department, but were managed by the National Capital Parks and Planning Commission (1924-1933) prior to EO 6228		
NPS DIR	NPS DIRECTOR AT CREATION	NPS Director in office at the time the unit was created (All units created before 1917 have “N/A” to indicate NPS didn’t exist prior to that)	NPS	
		All units created before 1917 will have “N/A” listed to reflect that the NPS did not exist prior to this (Stephen Mather did not officially become the NPS Director until May 16, 1917). An “Acting” in the cell indicates that the unit was created during a transition period or during a time when there was an (named or unnamed) acting director of NPS. If the name of the acting Director is known, the name will be shown with an “(A)” after it. If a unit was created outside the NPS and then transferred to the NPS at a later date, the law/Executive Order authorizing the transfer is indicated		
2023 VIS	2023 VISITS	Total number of recreational visits in calendar year 2023.	IRMA	2024-02-26
		Units with blanks are either new units that have not yet had visitors or are units for which individual counts are not conducted. If they’re managed by another unit/group, their visitation stats are usually included with the parent.		
LANDS				
NPS F AC	NPS FEE ACREAGE	Total amount of acreage owned in fee simple by NPS. Fee simple ownership means the NPS owns the property outright.	LRD	2024-12-10
		Units with zeros or null values across the board are included with parent or managing unit elsewhere in the sheet.		

Descriptors/Sources

COLUMN ID	COLUMN EXPANDED NAME	DESCRIPTION	SOURCE	LAST UPDATE
NPS NF AC	NPS NON-FEE ACREAGE	Total amount of acreage owned in other than fee simple by NPS (e.g., leased property, rights of way, conservation or scenic easements, etc.)	LRD	2024-12-10
OFA AC	OTHER FED AGENCY ACREAGE	Total amount of acreage within the unit's boundary owned by other federal agencies (primarily FWS and BOR)	LRD	2024-12-10
TOT FED AC	TOTAL FEDERAL ACREAGE	Sum total of the previous three columns, indicating total number of federally-owned acres within the units boundaries	LRD	2024-12-10
OPA AC	OTHER PUBLIC ACREAGE	Total amount of acreage owned by other public agencies (primarily state & local governments and special districts) within the legislated boundaries of the unit	LRD	2024-12-10
PRV AC	PRIVATE ACREAGE	Total amount of acreage within the unit's boundary owned by private entities (inholdings)	LRD	2024-12-10
TOT NF AC	TOTAL NON-FEDERAL ACREAGE	Sum total of the previous two columns, indicating total number of non-federally owned acres within the unit's boundary	LRD	2024-12-10
TOT AC	TOTAL ACREAGE	Sum total of federally-owned acres and non-federally owned acres within the unit's boundary (i.e., total gross size of the unit)	LRD	2024-12-10
INH	INHOLDINGS	Total # of individual privately held parcels of land within the unit's boundary.	LRD	2022-08-04
STAFFING PAGE				
ORGC	NPS ORGANIZATION CODE	Internal Federal Financial System (FFS) code used for various NPS accounting purposes	WASO	2024-07-25
		The majority of units have a single code for the entire unit. Some, however, have separate codes for each division or subunit.		
NSO GP	NAT'L STAFFING OFFICE GRP	Hiring Group to which the unit is assigned at the National Staffing Office (NSO)	NSO	2020-11-01
		NSO is an HR group within NPS that coordinates hiring of seasonal employees for most of the NPS units. The Midwest (MW) region does not use the NSO. All of the blanks indicate units that belong to the (former) MW region or that have no authorizations for seasonal employees.		
CBU	COLLECTIVE BARGAINING UNIT	Is all or part of the unit covered by a Collective Bargaining Unit/Union?	WMI	2023-01-13
SHRO	SERVICING HUMAN RES OFFICE	The Servicing Human Resources Office (SHRO) which manages HR processing for the unit	WASO	Pending
		1537 - Alaska Servicing Unit (AKRO)		
		1539 - Denver Service Center Servicing Unit (DSC)

		1630 - West Administrative Servicing Unit (NATR)		
FWA	FEDERAL WAGE AREA	Locality pay area used to determine adjustments in pay scales above the Federal General Schedule Base Pay Rate	OPM	2022-03-27
		These areas are used to assign cost of living (COL) adjustments to the base federal salary rates used in the Federal General Schedule (and the Federal Law Enforcement) pay system. For specific codes, please see the OPM web-site. All units coded with an asterisk (*) are spread across multiple wage areas and the code listed is for the area in which the unit's headquarters is located. All unit with blank wage area codes are in the "RUS" (Rest of the US) area assigned by OPM.		
ADJ%	FED WAGE AREA PAY ADJUSTMENT	This is the corresponding pay adjustment for the federal wage area	OPM	2022-03-27
		This is the increased pay for the wage area as assigned by OPM. This figure must be added to the 16.2% adjustment in place for the FY2022 pay scales. So, for example, a unit with an adjustment of 15.33% would see its employees paid at 31.53% (15.335 + 16.2%) above the base pay scale listed in the current OPM General Schedule (GS & GL) matrix. A unit with a blank adjustment would see its employees paid on the 16.2% adjustment to those same schedules.		
PMPG	PARK MANAGER PAY GRADE	Federal Pay Grade for park manager.	WMI	2021-04-21
		ES: Senior Executive Service (equivalent to General Officer level status in the civilian world). These managers are designated for the very large and/or complex park operations within NPS		
		GS: Federal General Schedule Pay Grade, typically GS-13, 14, or 15 for park managers/superintendents, and GS-12 or 13 for Site Managers. The larger the park unit is, the higher the GS pay grade, generally speaking.		
		NOTE: The larger units will have superintendents, while many of the smaller units that report to larger unit superintendents will have park managers or site managers. You can see these arrangements on the Organization Chart page.		

Descriptors/Sources

COLUMN ID	COLUMN EXPANDED NAME	DESCRIPTION	SOURCE	LAST UPDATE
APFT	AUTHORIZED PFTS	Number of permanent, full-time NPS employee positions authorized for the unit.	WMI	2021-07-20
		Expressed as the total number of positions, not as FTE. Includes term and full-time subject to furlough slots. Note that, in units where U.S. Park Police provide law enforcement functions, park police employees are not counted toward that unit's total employee authorization (for permanent or seasonal positions)		
ASEAS	AUTHORIZED SEASONALS	Number of seasonal, non-permanent NPS employees (positions, not FTEs) the park is authorized at the high point of the season.	WMI	2021-07-20
FY24P	FY 2024 PERMANENT EMPLOYEES	Total number of permanent employees (including PSF) on staff at the unit in the summer (July) of 2024.	WASO	2024-07-25
FY24T	FY 2024 TEMPORARY EMPLOYEES	Total number of temporary employees (seasonal and Term) on staff at the unit in the summer (July) of 2024	WASO	2024-07-25
		NOTE: These numbers may be somewhat lower than a typical season for many units given the decrease in staffing due to COVID during FY2021		
NPS HOU	NPS HOUSING UNITS	Total number of housing units available for housing permanent and/or seasonal employees inside the park.	QMIS	2024-02-27
		Will be blank if no housing is offered/available. Some housing units are shared.		
RVP	NPS EMPLOYEE RV PAD SITES	Total number of RV pad sites available for NPS employees at the unit.	QMIS	2024-10-19
		Note that many units also have RV pads for concession and/or contractor use as well. Will be blank if unit has no NPS-used RV pads		
VOL	VOLUNTEERS	Total number of individual volunteers utilized in the park via the VIP (Volunteers in the Parks) Program in FY2022.	VIP	2022-03-30
		This is not a count of hours, but a count of the total number of individuals (single event and seasonal), and only includes those who came to the park through the VIP. It does not include volunteers from school or scouting groups, SCA, etc. Note that these numbers vary wildly from one year to the next based on projects going on within individual units.		
PUBLIC SAFETY PAGE				
JUR TYP	JURISDICTION TYPE	Type of law enforcement jurisdiction within the park's boundaries.	LESES	2020-12-01
		EXC: Exclusively federal (These units will typically have NPS LE personnel stationed in the park, usually as required occupants)		
		CON: Concurrent state/local/federal jurisdiction (These units may or may not have NPS LE personnel assigned to them)		
		PRO: Proprietary jurisdiction (These units typically do not have organic LE assets, and rely initially on local LE for all law enforcement functions)		
		JIP: Jurisdictional Inventory in progress and jurisdiction types have not been firmly established		
		UND: Jurisdiction undetermined as of this date (but not Exclusive)		

Descriptors/Sources

COLUMN ID	COLUMN EXPANDED NAME	DESCRIPTION	SOURCE	LAST UPDATE
		Some units have property in more than one type of jurisdiction. These are indicated by combinations of letters (e.g., C/P would indicate that most of the park is under “concurrent” jurisdiction, while the remainder of it is under a “proprietary” jurisdiction). See RM-9 for specifics on the nature of each type of jurisdiction model. The J# notes refer specifically to oddities related to jurisdiction typology.		
14YF	17-YEAR FATALITY COUNT	Number of fatalities/deaths in the unit from CY2007 through CY2023.	PRMP	2023-09-01
		NOTE: Number indicates total for the 17 years, followed by one or two letters indicating what caused the most & second most deaths. Data is only for visitors and excluded deaths to NPS personnel or park concession employees or volunteers. An asterisk (*) indicates the fatality count includes a death caused by law enforcement action (either NPS rangers or USPP officers). [NOTE: Previous data did not include suicides]		
		C: Motor Vehicle Accidents		
		D: Drownings		
		E: Environmental Factors (hypothermia, cold exposure, heat stroke, lightning, etc.)		
		F: Falls		
		H: Homicide (Non-Law Enforcement Related)		
		M: Medical Issues (heart attacks, strokes, etc.)		
		S: Suicide		
		T: Non-Motor Vehicle Crash Transportation Accidents (bicycle crashes, boat accidents, etc.)		
		Z: All Other Causes, including those listed as “Undetermined” or “Other” Z is also used if there is no clear major cause of deaths or if multiple causes of deaths are either primary or secondary causes of the most deaths in the unit.		
		EXAMPLES: GRCA has a notation of 145MF. This means they’ve had 145 deaths in 13 years, the majority of which were from medical conditions. The 2nd leading cause of deaths was falls. The remainder were caused by a variety of other issues. GICL has a notation of 1Z. This means they’ve had one death in 13 years caused by something not listed. PERI has a notation of 2C. This means they’ve had two deaths in 13 years, and both were caused by motor vehicle accidents.		
7YSR	7-YR SEARCH & RESCUE INC COUNT	Number of Search & Rescue incidents in the unit for the 7-year period CY 2013-2020.	PRMP	2022-10-26
ORG LE	ORGANIC LAW ENFORCEMENT	Does the unit have organic (resident) law enforcement (i.e., does it have its own LE ranger staff)?	LESES	2024-07-25
		Y: Unit has its own LE assets. In some cases, LE/VRP rangers are provided to one unit by another unit, in which case the providing unit’s 4-letter CODE is provided in the box		
		DOD: Units are located on property under the control of the U.S. Department of Defense, who is responsible for providing security, fire protection, and other emergency services.		
		DOE: Units are located on property under the control & management of the U.S. Department of Energy, who is responsible for providing security, fire protection, and other emergency services access.		
		FPS: Federal Protective Service (Department of Homeland Security) provides security/LE services for the site		
		FWS: U.S. Fish & Wildlife Service has primary responsibility for law enforcement		

Descriptors/Sources

COLUMN ID	COLUMN EXPANDED NAME	DESCRIPTION	SOURCE	LAST UPDATE
		I: Unit hosts Special Agent(s) of the NPS Investigative Services Bureau (there are several agents with offices outside NPS units as well)

		PP: Units patrolled by the U.S. Park Police, a separate law enforcement unit within the NPS (Unit may or may not also have LE Rangers)		
		S: Unit has or may have a seasonal or sporadic/periodic LE ranger presence. There are a variety of reasons for this.		
		WEAR: Western Arctic Parklands Office provides LE Support		
		Note that many smaller units in proximity to one another often share LE resources amongst the units. For example, DAAV, HOCU, CHYO, and WIHO often share a single LE ranger, so they effectively have a minor, part-time LE presence. These all show with a “Y” or “S” however.		
		NOTE: THIS DATA IS REDACTED FROM THE PUBLICLY AVAILABLE VERSIONS OF THIS DOCUMENT.		
ORG FD	ORGANIC FIRE DEPT	Does the unit have organic (resident) structural firefighting assets?	FAM	2022-12-01
		Y-L: Yes, local (civilian) fire department has a station/equipment based inside the park		
		Y-N: Yes, with NPS personnel staffing the apparatus (and may or may not be bolstered by trained concession personnel)		
		Y-V: Yes, with local FD volunteers staffing the apparatus		
		(A): Unit has its own fire apparatus. Units with apparatus but no organic FD use cross-trained LE rangers as primary firefighters. (S): STLI has its own structural FF Rangers, but FDNY provides fire protection.		
ORG EM	ORGANIC EMS	Does the unit have an organic EMS capability (i.e., does the unit have its own dedicated EMS system with dedicated paramedics and/or Advanced EMTs)	LESES	2020-11-15
		Y-D: Yes, staffed by dual-role rangers (typically LE rangers trained as EMT/Paramedics)		
		Y-E: Yes, staffed by non-paramedic EMTs (seasonally or year round), bolstered by dual-role rangers		
		Y-P: Yes, staffed by single-role paramedics (seasonally or year-round), bolstered by dual-role rangers where needed		
		Y-V: Yes, staffed by local FD/EMS personnel (EMT or Paramedic)		
		(M): Unit has a resident medical clinic		
COMM	COMM CENTER	Does the unit have its own Communications Center (units that share CCs will have code of unit listed for the main park that hosts the comm center).	Units	2021-07-06
		Note that this is the Comm Center for emergency and/or law enforcement operations. Most units have local radio systems, but rely on local or OFA dispatch centers to coordinate emergency operations within the unit itself. Units with an asterisk by the “Y” maintain an emergency dispatch operation for less than 24 hours per day (typically local LE organization provides after-hours communication svcs)		
		ANCC: Angeles National Forest Communications Center (Lancaster, CA)		
		ARCC: Alaska Regional Communications Center (Denali NP)		
		LOCAL: Dispatch is handled by local state, county, regional, or municipal (i.e., non-NPS) organization		

Descriptors/Sources

COLUMN ID	COLUMN EXPANDED NAME	DESCRIPTION	SOURCE	LAST UPDATE
		MROCC: Midwest Regional Ozarks Communication Center (Harrison, AR)		
		NCRCC: National Capital Regional Communications Center (Hagerstown, MD)		
		PACC: Pacific Area Communications Center (HAVO)		
		NORC: NORCOM - Northern Communications Center, California State Parks (Rancho Cordova, CA)		
		FICC: Federal Interagency Communications Center (San Bernadino National Forest)		
AV AS	AVIATION ASSETS	Indicates the units that have organic aviation assets.	FAM	2022-03-06
		FIRST CHARACTER INDICATES # OF TYPE OF AIRCRAFT (Lack of a number indicates "1")		
		SECOND CHARACTER INDICATES TYPE OF AIRCRAFT		
		F: Fixed wing (airplane)		
		H: Helicopter		
		U: Unmanned aerial aircraft		
		THIRD CHARACTER INDICATES STATUS OF AIRCRAFT		
		E: Contracted for exclusive use (not government-owned)		
		N: NPS-owned aircraft		
		S: Contracted for exclusive use, but shared with OFA		
		*: Aircraft operated by the USPP		
		NOTE: AKRO (2), NERO (1), MWRO(1), SERO(1), and PWRO(1) own indicated number of UAVs. WEAR operates two NPS-owned FW aircraft		
WILDF	WILDLAND FIRE PROGRAM	Does the unit have an organic wildland fire program?	FAM	2020-11-01
		Y: Unit has it's own resident wildland fire management staff, at least during the summer		
		TYPE I/II: Unit hosts a certified Type I or Type II Incident Management Team and its own wildfire management program		
		EAFM: Alaskan parks managed under the auspices of the interagency Alaska Eastern Fire Management Team (Based at YUCH)		
		WAFM: Alaskan parks managed under the auspices of the interagency Alaska Western Fire Management Team (Based at DENA)		
		BLM: Fire management handled by the Bureau of Land Management under MOU with the NPS		
		USFS: Fire management handled by the U.S. Forest Service under MOU with the NPS		
		Some units rely on other nearby NPS units for wildfire ops, indicated by the 4-letter unit CODE in their box. All other parks rely on local fire departments or nearby OFA crews for primary suppression efforts. The lack of an organized wildland fire operation does not preclude park units from having red carded staff on-hand that can manage/suppress wildfires at times.		
WFE	WILDFIRE ENGINES/SUPT APP	Total number of wildfire engines and support vehicles in the unit's fleet.	OPFSM	2021-09-04
WFZ	WILDFIRE MGMT ZONE	NPS Wildfire Management Zone to which the unit belongs. Not all units have wildfire risk & will not belong to a zone.	FAM	2021-03-17

COLUMN ID	COLUMN EXPANDED NAME	DESCRIPTION	SOURCE	LAST UPDATE
		NWCC: Northwest Coordination Center	SWCC: Southwst Coordination Center	
		NOTE: See the NIFC website for a map of these districts (gacc.nifc.gov)		
FDZ	FIRE DISPATCH ZONE	The National Fire Dispatch Center that handles wildland fire dispatching for the unit. There are 280 of these centers across the US, so see the NIFC website for a list of the codes/centers (www.nifc.gov)	NIFC	2021-03-20
UNID	NIFC UNIT IDENTIFIER	This is the ID code assigned to the unit's fire resources in the national wildland fire response system.	NIFC	2021-03-20
		These typically takes the form of SS-####, where the "SS" = state designator (standard USPS state codes) and the "####" = three character unit designation. Some units may have a 4-character UID. So, a fire engine from Grand Teton National Park would have a designator of "WY-GTP" followed by an engine number. Note that the "P" at the end of all NPS unit IDs (except US territory units) indicates that these are NPS units.		
PSA	PREDICTIVE SERVICE AREA	The NIFC Predictive Service Area the unit belong to.	NIFC	2021-03-20
		Predictive Service Areas are geographic areas for which national-level fire weather or fire danger services and products are produced by wildland fire agency meteorologists and intelligence staffs in support of resource allocation and prioritization. See the NIFC website for the boundaries and code designations. Does not apply to Hawaii or territories.		
RAD SYS	RADIO SYSTEM TYPE	If the park has its own radio system, the type is provided here (blanks indicate the unit does not have it's own radio system).	NTIA	Ongoing
		P25: "Project 25" Digital radio system		
		FM: Analog FM radio system		
		Units with "P25/FM" have hybrid systems that are operating on both analog and digital frequency sets		
		Note that many smaller units use locally owned FRS or GMRS radios that are commercially-available. These are standardized frequencies and will not appear in this chart.		
CON	RADIO SYSTEM CONFIGURATION	Configuration of the park's radio system. Blank means the unit has no radio system (but may use FRS/GMRS radios locally)	BLM/NRCD	2021-03-06
		S: Simplex radio system (no repeaters)		
		#: A number indicates the number of repeater sites used by the park (excluding nationwide fire & OFA/Local Govt systems)		
		Blank indicates local radio system (i.e., no base stations or repeaters)		
FIXED ASSETS				
SITES	SITES	Number of discontinuous, individual parcels owned by the unit.	LRD	2020-06-01
		Parcels separated only by a road not owned by the unit are counted as a single parcel. Parcels that exist across bodies of water that require travel around them for access are counted as individual parcels. Islands owned by a unit are counted individually. Any land inside the unit boundaries as authorized by the unit's creation legislation/ document is included in the count.		

Descriptors/Sources

COLUMN ID	COLUMN EXPANDED NAME	DESCRIPTION	SOURCE	LAST UPDATE
BLDGS	BUILDINGS	Total number of structures owned/operated by NPS	PPFL	2020-06-01
		Total number of NPS-owned or operated buildings within the legislated boundaries of the parks or those outside unit boundaries operated as VCs, maintenance, or housing units, counted collectively regardless of the number of parcels. Structures within a unit's boundaries that are neither owned nor operated by NPS (e.g., those operated by concessioners but not owned by NPS) are not counted. Note that these figures include all buildings listed in FMSS, not just the inhabitable structures (e.g., it includes vault toilets, maintenance sheds, etc.).		
LCS	NUMBER OF LCS STRUCTURES	Total number of structures within the park listed in the List of Classified Structures	PHSP	2021-01-20
		LCS is an inventory of all historic and prehistoric structures that have historical, architectural, and/or engineering significance within units of the NPS. Each unit has completed an inventory of such structures (includes buildings, infrastructure components (e.g., culverts, roads, markers, etc.)). LCS itself no longer exists - data has been merged into CRIS-HS, and is no longer publicly available.		
ROAD M	ROAD MILES	Total miles of paved and unpaved road within legislated boundaries for which NPS has primary maintenance responsibility.	FLTP	2020-11-01
		Many units have state, local, or other federal highways and roads that run through them. NPS is not responsible for maintenance of these roads and therefore their mileage is not included in this total.		
TRAIL M	TRAIL MILES	Total miles of foot trails (of all surface types) within the legislated boundaries of the unit for which NPS has primary maintenance responsibility.	PPFL	2021-08-25
		Some units have trail systems or portions of trails that are built and maintained by private organizations (to include cooperative associations, trail groups, etc.). Since these trails are not maintained by NPS, they are not included in these totals.		
TRS	TRANSPORTATION SYSTEM	Does the park own/operate a transit system for visitors and guests, either using NPS-owned assets/personnel or concession-owned assets/personnel?	PFMD	2020-12-01
		A: Aircraft (fixed or rotary wing)	S: Bus/Shuttle/Tram/Van	
		B: Boat or Ferry	T: Train/Trolley	
TUN	TUNNELS	Number of road tunnels within the park's boundaries & for which NPS is responsible.	PPFL	2020-12-01
		Does not include train, trail, or other non-road tunnels.		
BRG	BRIDGES	Number of bridges owned/maintained by NPS within the park unit's legislative boundaries.	DOT/NBI	2021-01-04
		This includes only bridges that are identified in the National Bridge Inventory (NBI), which excludes culverts and bridges having a center span of less than 20 feet. Note that many parks have state or local highways that pass through them that include a number of bridges. These are not included as they are not owned or maintained by NPS.		
DAM	DAMS	Number of dams and water impoundment structures as listed in the National Inventory of Dams. Letters indicate ownership, with numbers indicating how many of each are within the park's legislated boundary or, for NPS-owned structures, located outside the boundary of the park but owned/operated by NPS	USACE/NID NPS/FMSS NPS/LCS	2021-02-19
		C: U.S. Army Corps of Engineers	R: DOI/Bureau of Reclamation	

Descriptors/Sources

COLUMN ID	COLUMN EXPANDED NAME	DESCRIPTION		SOURCE	LAST UPDATE
		L : Local Government (City, county, utility district, etc.)	S: State Government		
		N: National Park Service	W: International Boundary Water Commission		
		P: Privately owned			
		NOTE: This list includes only impoundment structure that meet the criteria for inclusion in the National Inventory of Dams. It excludes impoundments that are located at wastewater treatment facilities, regardless of ownership.			
LH	LIGHTHOUSES	Number of lighthouses within the legislated boundary of the unit, functional or not.		Units	2021-02-10
		F: Lighthouse remains functional as a navigation aid (operated either by NPS, USCG, or private entity)			
		N: No longer functional as an aid to navigation			
		Numbers indicate total number of facilities of each type. So 1F/1N would indicate park has one functional and one non-functional lighthouse within its legislated boundary (regardless of who operates or maintains the structure)			
FT	FIRE LOOKOUT TOWERS	Number of fire lookout towers within the legislated boundary of the park.		Units	2021-02-10
		Number includes all viable/functional lookouts regardless of whether they are staffed or not and regardless of whether NPS or some other agency owns/operates them.			
W/WW	WATER & WASTEWTR SYSTEMS	Number of distinct water and wastewater systems operated by the park. Does not include those systems for which operational responsibility lies with a non-NPS entity such as a city, county, or utility district.		FMSS	2020-11-12
VC	VISITOR CENTERS	Total number of Visitor Centers operated by the unit (regardless of whether NPS actually owns the building). This includes primary VCs and other facilities opened at least seasonally where the primary purpose is providing visitor information to those visiting the park.		Units	2023-01-04
		C: Unit closed to the public/No VC	N: New Unit (does not have a VC yet)		
PA	PICNIC AREAS	Total number of NPS-maintained picnic areas in the unit.		Units	2020-12-01
		Note that it is generally legal to picnic anywhere inside a NPS unit (there are exceptions), and this number represents just those "official" picnic areas maintained by the NPS (only those located within the legislative boundary of the unit); picnic areas that are part of a campground are not included unless they are standalone PAs. There may be additional picnic tables/facilities in other areas, but these are designated, maintained areas.			
CEL	CELLULAR TOWERS	Number of cellular telephone antenna sites within park boundaries (including on park borders if on NPS-owned land).		LRD	2021-01-05
		NOTE: This metric indicates the number of antennae. In some cases, multiple carriers share towers, so there may be more than a single provider on any given tower. This also includes antennae mounted to NPS or concessionaire structures, power poles, and other appurtenances within NPS unit boundaries.

COLUMN ID	COLUMN EXPANDED NAME	DESCRIPTION	SOURCE	LAST UPDATE
OTHER ASSETS				
MVF	MOTOR VEHICLE FLEET	Number of motor vehicles in the park's fleet (all types, incl heavy trucks).	OPFSM	2021-09-04
		Figure is shown as a ###/###, wherein the first number = number of vehicles OWNED by the unit, and the second number = the number of vehicles LEASED by the unit (from GSA). Includes all types of vehicles (incl fire vehicles, construction vehicles, ambulances, law enforcement, pool, etc.)		
WCF	WATER CRAFT FLEET	Number of boats and other water craft in the unit's fleet	OPFSM	2022-04-22
		Figure includes all types of water craft, including kayaks, canoes, john boats, jetskis, inflatable craft, air boats, ferries, etc. Includes only NPS owned craft, though some units own craft that are leased to concession companies (esp kayaks and canoes)		
MUS	NUMBER OF MUSEUM ITEMS	Number of items in the unit's museum collection	MMP	2023-05-12
		This includes all non-archival materials, whether housed at the unit, offsite, at another unit, WASO, DSC, MRCE, a regional Museum Center, or loaned out. Museum collections include those that are archeological, biological, geological, paleontological, ethnological, or historical in nature.		
ARC	NUMBER OF ARCHIVE ITEMS	Number of items in the unit's archives collection,	MMP	2023-05-12
		This includes all archival items whether housed at the unit, offsite, loaned out, at the Smithsonian, a NARA site, etc. NOTE: For both the museum artifact and archive item counts, these include materials held in any subsidiary units that are managed as a part of the primary unit, except if the subsidiary unit is listed separately within this spreadsheet. There are also several satellite sites operated by the NPS that own and store museum and archive collections, (i.e., SEAC, WACC, MRCE, the National Trail administrative offices, regional offices, etc.) Blank spaces indicate sites that hold no collections, the collections are owned/managed by a non-NPS entity, or are too new to have cataloged their collections		
ARCH	ARCHEOLOGICAL SITES	Number of identified archeological sites within the unit's legislated boundaries	CRIS	2023-05-22
GRV	GRAVES	Total number of graves within the legislated boundary of the unit. This includes graves in the 14 national cemeteries operated by units. ??? = units with graveyards or gravesites with indeterminant or unknown number of interments.	Units	Ongoing
MON	MONUMENTS	Number of monuments, sculptures, and memorials in the park,	FMSS	2023-05-20
		This includes all features within the 7100 asset class in FMSS (7110 = Memorial Complex, 7120 = Commemorative Object, & 7130 = Large Interpretive Object). Does not include headstones, grave markers, etc.		
GR	GRAZING ALLOWED?	Is livestock grazing permitted within the unit (All or a portion)	Units	2022-11-15
		Y* = Allowed on private inholdings (only) within park boundaries		

Descriptors/Sources

COLUMN ID	COLUMN EXPANDED NAME	DESCRIPTION	SOURCE	LAST UPDATE
CON LG	CONCESSION LODGING	Total number of units of concession-operated lodging located inside the park's legislative boundary (exclusive of any operated in inholdings).	Units	Ongoing
		This figure may include any type of daily-use rental units including hotel or motel rooms, "camper cabins," housekeeping cabins, dorm or hostel style rooms and facilities, and "primitive" facilities (i.e., no electrical, running water, etc.). Though primarily frontcountry facilities, any units located in the backcountry that are operated on a daily leased basis are included.		
CON CG	CONCESSION CAMPGROUNDS	Total number of camping spots operated by concession companies inside a park's legislative boundary (exclusive of any inholdings).	Units	Ongoing
		This includes RV, tent, and group sites located in frontcountry areas of the park. Sites requiring substantial hikes, boating, or other special conveyances to access are included if they're managed as sites with individual, daily rental fees attached to their use.		
NPS CG	NPS CAMPGROUNDS	Total number of organized, frontcountry camping spots operated by the NPS inside a park's legislative boundary.	Units	Ongoing
		Same description as for the concession companies, though many of these sites are free. Any site in an organized campground operated by NPS is included in this figure.		
BC CS	BACKCOUNTRY CAMPSITES	Total number of designated backcountry campsites available in the park	Unit BCOs	Ongoing
		This includes all campsites that require a significant hike to reach, and almost invariably require a permit issued by the unit and a short-window limitation on the time that may be spent in the camp. Includes public-use cabins, lean-tos, or other structures out in the "wild" spaces of the park.		
		UD = Undesignated campsites. Many parks do not have designated backcountry campsites and either have no limitations on where campers may set up, or have quotas for the number of people that may camp in any given area on any given night. Parks with a combination of designated sites and undesignated sites will be shown as "34+UD" indicating 34 designated sites, plus an ambiguous number of UD sites. This includes "car camping" sites that are located outside of normal frontcountry campgrounds in a few "wild" parks.		
AU CN	AUTH CONCESSIONERS	Number of Authorized Concession companies authorized to operate inside the unit boundaries:	CSP	2020-11-01
		This does not include any cooperating association, foundation, etc., organizations that operate within the park (usually conducting small retail operations such as bookstores).		
CON EMP	CONCESSION EMPLOYEES	Number (approx.) of concession employees employed inside the park during the busiest part of the park's tourist season.	CSP	Pending
		NOTE: Does not include cooperating association operations, which typically provide small store/retail operation at the VCs (typically 5-10 employees per store)		
		(GS) - Guide Service concessions in the park - typically have small staff (<5 employees) based in the park or just outside the park. Operation may or may not include horse, mule, and/or llama pack/ride services and/or water based guide/transport services		
CUA	COMMERCIAL USE AGRMTS	Number of Commercial Use Agreements in place for CY2021 (latest available)	CSP	2023-04-11

C1	CLASS 1 AIR PROTECTION	Which units are designated as Class 1 under the Clean Air Act. Those with C1P have only part of their land protected by Class 1 status.	ARD	2023-01-11
ENVIRONMENTAL ASSETS II				
WSO	WX SERVICE FORECAST OFFICE	The National Weather Service Forecast Office (WSFO) responsible for weather forecasts, issuance of weather and natural hazard alerts, etc., for the unit.	NOAA/NWS	2021-03-25
		There are 122 of these covering the entire US (including territories). For a map and code reference, see: https://www.weather.gov/srh/nws/offices		
WX MON	WEATHER MONITORS	Lists the weather monitoring systems present in the park		
		A = ASOS. Automated Surface Observation System. Only 3 or 4 parks have one of these.	NOAA/NWS	2020-10-06
		C = Cooperative Weather Station (involves manual reporting by park staff).	NOAA/NWS	2020-10-07
		N = NOAA Climate Reference Network (CRN) Station. CRN is a network of specialized weather and climate monitoring stations spaced roughly equidistance apart, designed to provide high-quality, stable monitoring data for climate monitoring.	NOAA/NCEI	2020-10-08
		R = USGS River Stream Gages on creeks or rivers in the park.	USGS	2020-10-09
		S = SNOTEL and/or snow course sites located within the park. SNOTEL automated systems are deployed by the USDA and used to monitor snow levels and snow pack conditions. Snow courses are sites where manual snow depth readings are taken by park staff.	USDA/NRCS	2020-10-10
		W = RAWs unit(s) in the park. Remote Automated Weather Systems are automated weather stations used by land management agencies primarily to monitor fire conditions, but also used for general weather purposes. These are for fixed installations. Portable RAWs units exist in several units but are not included here.	NOAA/NCDC	2020-10-11
ENVM MON	ENVIRONMENTAL MONITORS	Indicates the presence of a variety of environmental monitors (primarily air quality).	ARD & NSF-NEON	2020-09-14
		A = Air Quality Monitors present in the park. May be accompanied by any of the following letters to designate which metrics are being measured. Used to denote other air quality metrics being measured in addition to those otherwise specified, to include CBRN monitoring		
		H = Ammonia		
		M = Mercury		
		N = Nitrogen oxides		
		P = Particulates		
		S = Sulfur (Usually measured in the form of Nitrogen Sulfide)		
		V = Visibility		
		Z = Ozone		
		EA = NEON Network Aquatic Monitor. National Science Foundation National Ecosystem Observation Network		
		ET = NEON Network Terrestrial Monitor. National Science Foundation National Ecosystem Observation Net.

SDM	GROUND MOTION MON	Indicates whether the park has seismometers and/or other ground deformation/GPS sensors present.	USGS	2020-09-01
		D = Deformation (primarily GPS) sensors		
		E = Seismometers		
D WILD	DESIGNATED WILDERNESS	Total number of acres designated officially by Congress as Wilderness Areas under the Wilderness Act of 1964.	WSD	2020-12-15
		This includes just the areas under NPS jurisdiction for wilderness areas that span jurisdictional/agency boundaries. Many of these units have additional areas identified as “proposed” or “potential” wilderness that is not included in these figures (see adjoining column).		
O WILD	OTH LANDS MGD AS WILDERNESS	Total number of acres of land managed under the umbrella of “other lands managed as wilderness.”	WSD	2020-12-15
		Includes the following categories of lands:		
		Eligible: Areas that, subsequent to an appropriate assessment, possess qualities/characteristics which would qualify them for wilderness designation, but for which that designation has not yet been forwarded to the Secretary of the Interior or the President for action		
		Potential: Lands which possess wilderness characteristics but contain temporary nonconforming or incompatible conditions which prevent them from being so-designated (such as structures, roads, in-holdings, mining claims, etc.)		
		Proposed: Areas that have been proposed to the Secretary of the Interior for wilderness designation, but for which the Secretary has not approved them		
		Recommended: Areas which have been proposed as wilderness areas and for which the president has conveyed the recommendation to Congress, but for which the Congress has not formally designated them as wilderness.		
DW%	DESIGNATED WILDERNESS %	Percentage of the park’s legislated area that has been officially designated as wilderness	WSD	2020-12-15
OW%	OTHER WILDERNESS %	Percentage of the park’s legislated area that is managed under the “other land managed as wilderness” umbrella	WSD	2020-12-15
WILD NT	WILDERNESS STATS NOTES	Year the wilderness area was first designated, where appropriate AND/OR letter code below for OW figure.	WSD	2020-12-15
		Areas may have been expanded at some point after their original designation date. Parks with two dates listed have two wilderness areas, and the date is the date of designation for each of them. For units with an adjoining preserve, figure includes both the park unit and the preserve unit lands.		
		E: Eligible

FINANCES				
FY23/24 ONPS	FY2023/2024 ONPS APPROPRIATION	ONPS money appropriated by Congress for FY2023. For FY2024, Congress did not pass a legitimate spending bill, but funded the government through a Continuing Resolution. So the funding remained the same as FY2023.	Greenbook	2024-03-15
FY20 ONPS	FY2022 ONPS APPROPRIATION	ONPS money appropriated by Congress for FY2022	Greenbook	2022-06-15
FY21 ONPS	FY2021 ONPS APPROPRIATION	ONPS money appropriated by Congress for FY2021.	Greenbook	2021-06-15
FY23 VSPN	FY2023 VISITOR SPENDING	FY 2023 total visitor spending, as estimated by the NPS Social Sciences Division.	SSB	2024-12-10
		Units with “\$0” were closed during most of or all of FY2023 (due to construction or staffing issues). Units with a “-” were not tabulated for FY 2023 or were included in a managing unit’s totals.		
DEF MAINT	DEFERRED MAINTENANCE	Total amount of deferred maintenance as shown for each unit as shown in FMSS as of the middle of FY2023	FMSS	2023-05-17
ASSET VALUE	ASSET VALUATION	Total fixed asset valuation for each unit as of middle of FY2023.	FMSS	2023-05-17
FEE GP	ENT FEE GROUP	Entrance Fee Group assignment for determining entrance fees.	BSD	2024-02-15
ENT FEE	ENTRANCE FEE	Entrance fee for the unit, if one is charged.	BSD	2024-02-15
		Units with asterisk (*) beside fee amount do not accept cash (credit cards only)		
FEE TY	ENT FEE TYPE	Whether the entrance fee is per person (PP) or per vehicle (PV).	Units	2022-02-28
		If the unit has a per vehicle fee, that is shown, even if the unit also has a per person fee. Units with an “X” designator are prohibited by law or deed restriction from charging entry fees (see 16 USC 6802)		
FEE EP	FEE PAY ELECTRONICALLY	If it is possible to pay the park’s entrance fee electronically prior to visiting the park, the letter will indicate which system may be used to do so.	Units	2022-02-28
		P = PAY.GOV		
		R = RECREATION.GOV		
		V = Available through private/NGO site		
		* = Reservations may be needed to enter the park itself. Check the park’s website for details. (This is for entrance only. Other features such as tours, camping, certain hikes, transportation, etc., may require reservations and those are not indicated here)

FY2023 FINANCIAL SNAPSHOT				
NOTE: For the following figures, FY2019 was used due to COVID's impact on FY2020-2021 operations at most parks. As a result, 2019 was the last "stable" year for which figures are available.				
FY23 ONPS	FY2023 ONPS APPROPRIATION	ONPS money appropriated by Congress for FY2023.	Greenbook	2024-03-15
FY23 FLREA	FY2023FLREA ALLOCATION	Total funds allocated to the unit derived from the various funding streams authorized by the Federal Land Recreation Enhancement Act.	COMP	2024-03-15
FY23 FRF	FY2023 FRANCHISE FEES	Total franchise fee funds collected by the unit for FY 2023.	COMP	2024-03-15
FY23 CUA	FY2023 COMM USE AUTH FEES	Total Commercial Use Authorization fees collected by the unit for FY 2023.	COMP	2024-03-15
FY23 RENT	FY2023 RENT INCOME	Total rent income (from employee housing, concession leases, etc.) collected by the unit for FY2023.	COMP	2024-03-15
FY23 DON	FY2023 DONATIONS INCOME	Total money donated by individuals or corporations to the park in FY2023.	COMP	2024-03-15
FY23 AMF	FY2023 AMENITY FEES	Total amenity fee (fees for campsites, tours, boat launches, building rentals, etc.) income generate by the unit for FY2023.	COMP	2024-03-15
FY23 FPF	FY2023 FIRE PROGRAM FUNDS	Total monies provided to the park for wildfire related expenses during FY2023	COMP	2024-03-15
		NOTE: These expenses vary widely from park to park and from one year to the next. These funds are provided outside the ONPS budget and cover expenses associated with wildfires, to include personnel, expenses, equipment, prescribed fire cost, etc.		
FY23 FLTP	FY2023 FED LAND TRANS PGM	Total money received for work under the Federal Land Transportation Program (administered by FHwy)	COMP	2024-03-15
		NOTE: These figures vary widely from year to year based on road construction projects underway in the park		
FY23 TOT	2023 TOTAL BUDGET	Total of the preceding nine FY2023 budget income columns.		
		This may or may not be what each unit considers its "official" budget for FY2023, and does not include such things as capital improvement funds, funds expended under the LWCF, and other minor amounts of funds received through miscellaneous programs (e.g., EMS fee receipts, grazing fee receipts, and so forth).

COLUMN ID	COLUMN EXPANDED NAME	DESCRIPTION	SOURCE	LAST UPDATE
PLANS & PUBLIC OUTREACH				
FOUND	FOUNDATION DOCUMENT	Foundation Document Date.	Units/PEPC	Ongoing
		Foundation documents are required for all NPS units, and serve as the foundational, core document for all park planning and operations. These detail the purpose of the park, why it is included in the NPS system, define its fundamental resources and values, etc. They are designed to serve as the underlying guidance for all management and planning decisions related to the park		
GMP	GEN MGMT PLAN	General Management Plan Date.	Units/PEPC	Ongoing
		General Management Plans (required by federal law), focus on why a unit was established and what resource conditions and visitor experiences should be achieved and maintained over time. The plan takes a long-term view and is updated as conditions change, typically every 15-20 years. From the GMP flows a Resource Stewardship Strategy (formerly the Resource Management Plan) and a Visitor Service Strategy. And from those flow a variety of other plans that comprise the park's management planning portfolio. This includes Fire Management Plans, Long-Range Interpretive Plans, Museum Management Plans, Commercial Services Plans, Trail Management Plans, Backcountry Management Plans (replaced by Wilderness Stewardship Strategies in some parks), Visitor Management Plans, Wildlife and non-Wildlife Management Plans, Cultural Landscape Plans, and a variety of other plans that dictate how park managers manage the various aspects unique to the unit they manage. The GMP, BMP, RMP, LRIP, and WFMP form the basic portfolio of most NPS units.		
BMP	BACKCOUNTRY MGMT PLAN	Backcountry Management Plan Date.	Units/PEPC	Ongoing
		BMPs are not required, but many parks develop them to guide management decisions regarding the park's backcountry and wilderness resources into the future. It is becoming more common for these to be referred to as Wilderness Stewardship Plans (WSPs)		
RMP	RESOURCE MGMT PLAN	Resource Management Plan Date.	Units/PEPC	Ongoing
		RMPs are not required (though they were formerly with "natural" parks), but are often used to describe the park's natural and cultural resources, and outlines the park's goals and objectives in managing these resources. The dates listed in this section are for natural resources only. Note that, over the past handful of years, Resource Stewardship Strategies have replaced RMPs. If they exist at a specific unit, they are listed under this line as well, however.		
LRIP	LONG-RANGE INTERP PLAN	Long-Range Interpretation Plan Date.	Units/PEPC	Ongoing
		Long-Range Interpretive Plans (LRIPs) provide a vision for the future (5-10+ years) of interpretation, education, and visitor experience opportunities, and exist as a component of the Comprehensive Interpretive Plan. They identify and analyze interpretation, education, and visitor experience goals and issues and offer guidance for how those issues will be addressed. These are not required but many parks have them (often developed by or in concert with HRC)		
WFMP	WILDFIRE MGMT PLAN	Wildland Fire Management Plan Date.	Units/PEPC	Ongoing
		Wildland Fire Management Plans are required for parks that have areas of wild space that may be impacted by wildland fires. Many parks also maintain structural fire plans in addition to the WFMPs.		

Descriptors/Sources

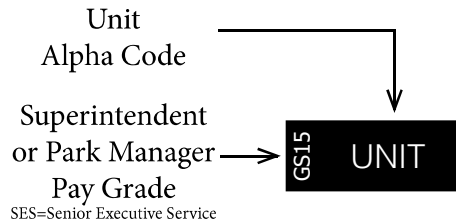

COLUMN ID	COLUMN EXPANDED NAME	DESCRIPTION	SOURCE	LAST UPDATE
		Lack of a date for any of the preceding plans indicates that the relevant plan has not been completed for that park unit. UD indicates that a new plan is currently under development.		
ADHI	ADMINISTRATIVE HISTORY	If the unit has had an administrative history document completed for it, the date of the last relevant document is provided. An asterisk (*) indicates that the document was done by a non-NPS source (without NPS funding or support)	Units/IRMA	2022-11-01
ATP	AIR TOUR MGMT PLAN	Is the unit required by National Parks Air Tour Management Act (2000) to have an Air Tour Management Plan?	FAA/NPS	2022-05-01
		Y = Unit is required to have an ATMP		
		X = Unit is exempt from needing an Air Tour Management Plan		
Wi-Fi	IS WIFI OFFERED WITHIN THE PK	Is Wi-Fi service offered within the park boundaries, by either concessioners or the NPS? For concession companies, this can be either free or (more typically) paid service. For NPS it includes free service offered typically at one or more VCs.	PFMD	2023-01-23
		Y-C: Yes, provided by or offered at VC (bookstore) or Concession Operations (hotels, restaurants, stores, etc.)		
		Y-N: Yes, provided by NPS (Note that this almost invariably only applies to Visitor Centers. Check park website for specifics)		
		Y-N/C: Yes, at both NPS and concession facilities		
SOC MEDIA	SOCIAL MEDIA LINKS	Does the park have a presence on any of the SIX most common social media platforms	Units	2024-02-15
		FB = Facebook	YT: YouTube	
		IG: Instagram	FL: Flickr	
		TW: Twitter		
		Cam: Does the unit have NPS-sanctioned/maintained webcams for the park (does not include fire or environmental monitoring webcams). An "I" indicates units has webcams but they are inactive for some reason (usually maintenance or lack of funds to continue to operate the camera).		
		A "Y" with an asterisk by it means the platform appears abandoned by the unit. For FB, IG, and TW this means 6 months or more of inactivity. For YT and FL, this means one year or more of inactivity.		
CONTACT INFO				
SUPER	SUPERINTENDENT	Current superintendent of the unit (A = acting, I= Interim)	WASO	Ongoing
PHONE	PARK PHONE NUMBER	Main/Primary Phone number to reach the unit during normal business hours	Units	2023-01-22
